## Caratteristiche:

Tutti gli articoli sono caratterizzati da una struttura in alluminio verniciata in colore grigio (A17) e rivestita con cinghie imbottite (B8) per garantire un maggiore confort. Cuscineria in tessuto per esterno colore bianco (C93), sfoderabile, facile da lavare e resistente agli agenti atmosferici. Imbottitura in dry foam. Tavolo caffè con piano in vetro opaco serigrafato colore grigio.

## Uso e Manutenzione:

Per una protezione supplementare si consiglia l'utilizzo delle apposite coperture nella stagione invernale, alla sera, o in caso di piogge frequenti. Lavare la cuscineria in tessuto Sunproof con un ciclo normale a una temperatura massima di 40 °C. Stirare con il ferro non caldo, temperatura massima di 110 °C, preferibilmente senza vapore. Non lavare a secco. Per la pulizia delle fasce lavare la superficie servendosi semplicemente di un panno morbido e acqua saponata. Se necessario, strofinare molto delicatamente. Il tessuto, leggero e traspirante, si asciugherà in pochi minuti.

## Features:

*All the items have a grey powder coated aluminum frame (A17) with padded belts (B8) for an extra comfort seating. One type of fabric: white colour (C93). Cushions with removable covers, easy to wash and weather resistant. Quick dry foam padding. Coffee table with matt tempered silk-screened glass top in grey colour.*

## Use and Maintenance:

*For additional protection, we recommend the use of our covers in winter season or in the evening mainly in rainy periods. You can safely launder Sunproof fabric in a washing machine. Initial water temperature should not exceed 40°C. Regular dry ironing at a low setting (110C, 230F) only, without steam. Do not dry clean. Do not bleach. Clean stripes using a moist soft cloth with a small amount of mild soap, gently rub the surface, if needed. The fabric is breathable and dries quickly.*
